TRAINING NETWORK

## ECGFA NET II. Objectives

### OBJECTIVES (October 2016 - December 2017)

#### General Objectives:

- Educational cooperation in the field of coast guard functions (CGF)

#### Specific Objectives:

- To provide support for the ECGF Training Network and the ECGF Training Portal during their start-up phase in order to increase the number of members and to enable the Network to function in an active and autonomous manner, taking ownership on the Network, its activities and future development.
- To launch a pilot ECGF Expert Exchange Programme
- Final structure of the CGFSQF (stages 2-3 out of 7)
